

## **We are overwhelmed by your generosity!**

Thank-you so much to those of you who have contributed to our food drive, shared our social media posts, and prayed for this ministry and the country of Haiti. We are so grateful for your generous hearts!

**The food drive raised over \$13,000 to support this cause!**

If you haven't had a chance to donate there is still time to help us reach our goal of \$20,000.

## Next steps...

Pastor Luc and his team are purchasing and distributing food to the local communities of Lavange, Fouche, Tete-a-boeuf and Grand Goave this week. Pastor Luc is also making arrangements to have food purchased and distributed to the northern areas (Morne Blanc, Grand Savane, Bouvard). Normally, Pastor Luc and his team from Grand Goave would be involved with the food distribution but due to the current travel restrictions brought on by COVID, he is unable to leave Grand Goave.

If you are able to give, we encourage you consider supporting a family in need today. A food pack for one family is \$55 and includes a bag of rice, beans and oil.

---

Whether you donate 1 food pack or 10, every little bit helps and each donation represents a family who won't go hungry.

We understand that at this time in our world many are experiencing financial struggles. If this is you, please do not feel obligated to give. You can support us through prayer and by sharing our posts and newsletters with friends and family.
